6 GUIDELINES FOR REMUNERATION TO SENIOR EXECUTIVES

The Board of Directors of Kitron has prepared a proposal for guidelines for remuneration to senior executives in the company and group companies in accordance with the Norwegian Public Limited Liability Companies Act section 6-16a. The guidelines are published on the company's website, www.kitron.com.

The guidelines shall be considered and approved by the General Meeting in the event of any significant change and at least every four years.

The Board of Directors proposes that the General Meeting makes the following resolution:

"The Board of Director's proposal for guidelines for remuneration to Senior Executives is approved."

7 REMUNERATION TO THE BOARD OF DIRECTORS

At the Annual General Meeting in 2018, a new structure for board remuneration was resolved whereby the members of the Board of Directors may choose to receive remuneration either (i) partly in cash and partly shares of the company or (ii) fully in cash, see further details below.

The optionality to receive shares has been welcomed by the Board and facilitates further ownership of shares in the company by Board members, in line with the recommendations of the Code of Practice for Corporate Governance section 11. The Nomination Committee has not been made aware of any circumstances that implies a need to adjust the structure for remuneration to Board members, which seems to be functioning well.

With respect to the level of Board remuneration, the Nomination Committee finds an increase of approximate 2.5% as appropriate.

Based on the Nomination Committee's preparatory work, the Nomination Committee proposes to continue the remuneration structure where Board members may invest in the company's shares as set out below. The Board members may choose to receive their full remuneration in accordance with one of the alternatives set out below:

Cash and shares alternative:

Board members may choose to receive their remuneration partly in cash and partly in shares as set out below. Choosing this alternative will establish a right and an obligation to acquire shares in the company (the "**Share Remuneration**").

In case of the Share Remuneration, the remuneration to the Chairman of the Board shall be NOK 527,000 (up from 514,000) per year, and ordinary Board members shall receive a remuneration of NOK 263,000 (up from 257,000) per year.

Board members shall have an obligation to acquire a number of shares in the company having a market value corresponding to at least 25% of the gross total remuneration paid to such Board member (excluding remuneration as chair/member of Board committees).

The Nomination Committee deems it most appropriate to leave it to the company to decide how the Board member shall acquire the shares based on the following key principles:

- The shares shall be acquired at market price.

- The shares should be acquired by the Board members as soon as practically possible after the General Meeting has been held. The Board members should preferably acquire the shares at the same time.
- The acquisition of shares must be made in accordance with applicable legislation and Kitron's internal routines for handling inside information and rules for primary insiders.
- The shares shall be acquired with a long-term ownership perspective.
- Deputy Board members may not choose to participate in the Share Remuneration.
- Each Board member is responsible for taxes, charges and fees levied upon them as a consequence of acquiring shares in the company as part of the Share Remuneration.

Cash alternative:

Board members may choose to receive their full remuneration in cash (the "**Cash Remuneration**").

In case of the Cash Remuneration, the remuneration to the Chairman of the Board shall be NOK 439,000 (up from 428,000) per year, and ordinary Board members shall receive a remuneration of NOK 219,000 (up from 214,000) per year.

Remuneration to members of committees under the Board of Directors:

The Nomination Committee proposes that the remuneration to the members of the company's audit committee and the company's remuneration committee for the coming year shall increase with NOK 200 per meeting.

Summary:

Based on the above, the Nomination Committee proposes the following remuneration to the Board members for the coming year, from and including May 2021, and to and including April 2022:

Chairman of the Board	NOK	527,000 (cash + shares) per year, or 439,000 (cash) per year
Other Board members	NOK	263,000 (cash + shares) per year, or 219,000 (cash) per year
Chairman of the Audit Committee	NOK	7,600 per meeting*
Other Audit Committee members	NOK	6,600 per meeting*
Remuneration Committee members	NOK	4,500 per meeting*

*Subject to attendance

The Nomination Committee's proposal is available at the company's website www.kitron.com, and is also available upon request at the company's office.

The Board of Directors proposes that the General Meeting makes a resolution in accordance with the Nomination Committee's recommendation.

8 REMUNERATION TO THE NOMINATION COMMITTEE

The Nomination Committee proposes that the remuneration to the members of the Nomination Committee remains unchanged from the previous year, and that the remuneration for the coming year, as from and including May 2021 and to and including April 2022 consequently will be:

Chairman of the Nomination Committee	NOK 4,200 per meeting*
Nomination Committee members	NOK 3,200 per meeting*

* Subject to attendance

The Nomination Committee's proposal in its entirety is available at the company's website www.kitron.com, and is also available upon request at the company's office.

The Board of Directors proposes that the General Meeting makes a resolution in accordance with the Nomination Committee's recommendation.

9 REMUNERATION TO THE AUDITOR

The Board of Directors proposes that the auditor, PWC AS, shall be remunerated according to the invoice for the audit of the 2020 Financial Statements. Accrued fees to the auditor make a total of NOK 1 454 000 for Kitron, whereof NOK 1 251 000 is related to auditing and NOK 203 000 to other services. The General Meeting shall make a resolution regarding the fee related to statutory audit. The Board of Directors proposes that the General Meeting makes the following resolution:

"Remuneration to the auditor for 2020 of NOK 1 251 000 for statutory audit is approved."

10 AUTHORIZATION TO THE BOARD TO ISSUE SHARES

The Board of Directors proposes that the General Meeting grants the Board of Directors an authorization to increase the share capital. The Board of Directors proposes that such authorization may only be used for purposes as specified in the proposed resolution below.

The Board of Directors is of the opinion that it will be practical that the Board of Directors has such authorization in order to have the necessary flexibility and ability to act promptly, for purposes within the company's interest.

The General Meeting shall deal with the annual accounts for 2020, and it is referred to this, in addition to the company's stock exchange releases made public through the Oslo Stock Exchange's news service agent www.newsweb.no and Kitron's website, for a review of events that are of significant importance for the company and information about the company and the company's activities.

To be able to attend to the stated purpose of the authorization the Board of Directors proposes that the shareholders pre-emptive rights in accordance with the Act section 10-4 may be set aside.

The Board of Directors proposes that the General Meeting makes the following resolution:

"The Board of Directors of Kitron ASA is hereby authorized to increase the share capital in accordance with the Norwegian Public Limited Liability Companies Act section 10-14 on the following conditions:

1. The share capital may, in one or more rounds, in total be increased with up to NOK 1,791,039.90.
2. The authorization shall be valid until the Annual General Meeting in 2022, but no later than 30 June 2022.
3. The shareholders' pre-emptive rights according to the Norwegian Public Limited Liability Companies Act section 10-4 may be set aside.

4. The authorization is not intended for use to facilitate or obstruct the success of a take-over bid where Kitron is the target company.
5. The authorization encompasses share capital increase by contribution in kind and the right to incur Kitron ASA with special obligations according to the Norwegian Public Limited Liability Companies Act section 10-2.
6. The authorization encompasses resolutions on merger according to the Norwegian Public Limited Liability Companies Act section 13-5.
7. The authorization is limited to encompass capital requirements or issuance of consideration shares in relation to strengthening of Kitron ASA's equity, acquisition of other companies or businesses, joint ventures or joint business operations, remuneration to the members of the Board of Directors in Kitron ASA, incentive schemes, and acquisition of property and business within Kitron ASA's purpose.
8. The Board of Directors is authorized to decide other terms and conditions of the subscription and is authorized to amend the Articles of Association by the use of this authorization.
9. This authorization replaces any previously granted authorizations for the Board of Directors to increase the share capital."

11 AUTHORIZATION TO THE BOARD TO BUY OWN SHARES

The Board of Directors proposes that the General Meeting grants the Board of Directors with authorization to acquire Kitron's own shares.

Such authorization would give the Board of Directors the opportunity to take advantage of the financial instruments and mechanisms provided by the Norwegian Public Limited Liability Companies Act. Buy-back of the company's shares, with subsequent cancellation, would be an important aid for optimizing Kitron's financial structure. Further on, Kitron would be able to use own shares for incentive schemes and, in full or as part, as consideration in connection with acquisition of businesses. The Board of Directors proposes that the authorization may only be used for purposes as further specified in the proposed resolution below.

The Board proposes that the General Meeting gives the Board authorization to acquire shares in the company, with a total nominal value corresponding to 10% of Kitron's registered share capital. Shares acquired by Kitron can be used in later reductions of the registered share capital with the General Meeting's approval, remuneration to the members of the Board of Directors, for incentive schemes or as consideration in connection with acquisition of businesses.

The Board of Directors proposes that the General Meeting makes the following resolution:

"The Board of Directors of Kitron ASA is hereby authorized to acquire Kitron ASA's own shares in accordance with the Norwegian Public Limited Liability Companies Act sections 9-4 and 9-5 on the following conditions:

1. The Board of Directors may acquire shares in Kitron ASA, on one or several occasions, up to a total par value of NOK 1,791,039.90. The authorization also includes contract liens in the shares of Kitron ASA.
2. The authorization is not intended for use to facilitate or obstruct the success of a take-over bid where Kitron is the target company.
3. Under this authorization the Board of Directors may pay minimum NOK 1 per share and maximum the prevailing market price per share on the day the offer is made, provided, however, that the maximum amount does not exceed NOK 50 per share.

4. Any and all previous authorizations given to the board of directors to acquire own shares shall be replaced with effect from the registration of this authorisation with the Norwegian Register of Business Enterprises.
5. Shares acquired according to the authorization shall either be cancelled, used as remuneration to the members of the Board of Directors of Kitron ASA, used in incentive schemes or be used as consideration in connection with acquisition of other companies or businesses, joint ventures or joint business operations, and acquisition of property and business within Kitron ASA's purpose.
6. This authorization shall be valid until the 2022 Annual General Meeting, but not longer than 30 June 2022."

12 ELECTION OF BOARD MEMBERS

Pursuant to the Articles of Association the Nomination Committee shall propose candidates for election as members of the Board of Directors. In accordance with the mandate of the Nomination Committee and section 7 of the Norwegian Code of Practice for Corporate Governance (the "Code"), the Nomination Committee shall monitor the need for any changes in composition of the Board of Directors.

In accordance with section 8 of the Code, the composition of the Board of Directors should ensure that the criteria of independence of the Board of Directors are met, that the Board of Directors can attend to the common interest of all shareholders and meets the company's need for expertise, capacity and diversity, and that the Board of Directors can function effectively as a collegial body.
