10 AUTHORISATION TO THE BOARD TO ISSUE SHARES

The board of directors proposes that the Annual General Meeting grants the board of directors an authorisation to increase the share capital. The board of directors proposes that such authorisation may only be used for purposes as further specified in the proposed resolution below.

The board of directors is of the opinion that it will be practical that the board of directors has such authorisation in order to have the necessary flexibility and ability to act promptly, for purposes within the company's interest.

The Annual General Meeting shall deal with the annual accounts for 2008, and is referred to this, in addition to the company's stock exchange releases made public on Oslo Børs and the company's internet web site, for a review of events that are of significant importance for the company and information about the company and the company's activities.

To be able to attend to the stated purpose of the authorisation the board of directors proposes that the shareholders pre-emptive rights in accordance with the Act section 10-4 may be set aside.

The board of directors proposes that the Annual General Meeting pass the following resolution:

1. *The board of directors of Kitron ASA ("Kitron") is hereby authorised to increase the share capital by issuing new shares with up to NOK 17,296,162.50, representing a maximized share capital increase corresponding to 10 per cent of Kitron's registered share capital at the time of this authorisation. This authorisation may be executed one or more times. Any and all previous authorisations given to the board to issue shares shall be, and hereby are, withdrawn with effect from the date this authorisation is registered with the Norwegian Register of Business Enterprises.*
2. *The instant authorisation may be used in connection with the following:*
 - a. *Acquisition of (i) other companies with activities within the scope of Kitron's business as stated in the Articles of Association (a "Target Company"), or (ii) a business and/or assets suitable for inclusion in Kitron's business as stated in the Articles of Association (a "Target Business"), by issuance of shares in Kitron as consideration to the selling shareholders of the Target Company or the seller of the Target Business.*
 - b. *Joint ventures or other joint business operations with companies with a similar activity within the scope of Kitron's business as stated in the Articles of Association by issuance of shares in Kitron as consideration to the shareholders of the other party or parties in the joint venture or the other joint business operation.*
 - c. *Private placement and share issue to suitable investors (may be existing shareholders or new shareholders) in order to (i) obtain additional liquidity or working capital for Kitron, (ii) strengthen Kitron's balance sheet or (iii) enable Kitron to make investments or enter into other transactions which will expand Kitron's operation within the scope of Kitron's business as stated in the Articles of Association.*
3. *For the avoidance of doubt, it is resolved that the authorisation is not intended for use to facilitate or obstruct the success of a take-over bid where Kitron is the target company.*
4. *Existing shareholders' pre-emptive right to subscribe for shares according to the Norwegian Public limited liability companies act section 10-4 may be set aside.*
5. *The board is authorised to decide upon other subscription terms, including issue price, date of payment and the right to sell shares to others.*

In case of capital increases pursuant to clauses 2 (a) and (b) above, the issue price shall appropriately reflect the fair market value of Kitron's shares at the time of the agreement for acquisition (clause 2 (a)) or agreement for Joint Venture or other Joint Business Operation (clause 2 (b)). In connection with share capital increases in accordance with clause 2 (c), the appropriate issue price shall be determined by the board in consultation with Kitron's financial advisors.
6. *Payment of share capital in connection with a share capital increase authorised in clauses 2 (a) and 2 (b) herein may be made by way of non-cash contributions and other special subscription terms, in accordance with the Act section 10-2.*
7. *Shares that are not fully paid, can not be issued, transferred or sold.*
8. *The new shares which may be subscribed for according to this authorisation, shall have right to dividends declared subsequent to the subscriber having paid the subscription price and the associated share capital increase having been registered in the Norwegian Register of Business Enterprises. In other respects, the shares shall have shareholder rights from the time of subscription, unless the board determines otherwise.*
9. *The general meeting authorises the board to amend Kitron's Articles of Association concerning the size of the share capital when the instant authorisation is used.*
10. *This authorisation shall be valid until the 2010 annual general meeting, but not longer than 30 June 2010.*

11 AUTHORITY TO THE BOARD TO BUY OWN SHARES

The board of directors proposes that the Annual General Meeting grants the board of directors with an authorisation to acquire Kitron's own shares.

Such authorisation would give the board of directors the opportunity to take advantage of the financial instruments and mechanisms provided by the public limited liability companies act. Buy-back of the company's shares, with subsequent cancellation, would be an important aid for optimizing the company's financial structure. Further on, the company would be able to use own shares for incentive schemes and, in full or as part, as consideration in connection with acquisition of businesses.

The Board proposes that the Annual General Meeting gives the Board authorisation to acquire shares in the company, with a total nominal value corresponding to 10 % of the company's registered share capital. Shares acquired by the company can be used in later reductions of the registered share capital with the General Meeting's approval, remuneration to the members of the board, for incentive schemes or as consideration in connection with acquisition of businesses.

The board proposes the following resolution:

- 1. In accordance with the Act sections 9-4 and 9-5, the board of directors is authorised to acquire Kitron ASA's own shares, for the purpose of ownership or charge, for a total nominal value of up to NOK 17,296,162.50, which is equal to 10 per cent of Kitron's registered share capital at the time of this authorisation.*
- 2. The board of directors decides on the manner of acquisition, disposition, transfer and sale of own shares.*
- 3. For the avoidance of doubt, it is resolved that the authorisation is not intended for use to facilitate or obstruct the success of a take-over bid where Kitron is the target company.*
- 4. Under this authorisation the board of directors may pay minimum NOK 1 per share and maximum the prevailing market price per share on the day the offer is made, provided, however, that the amount does not exceed NOK 25 per share.*
- 5. Any and all previous authorisations given to the board of directors to acquire own shares shall be, and hereby are, withdrawn with effect from the date this authorisation is registered with the Norwegian Register of Business Enterprises.*
- 6. This authorisation shall be valid until the 2010 annual general meeting, but not longer than 30 June 2010.*

According to Kitron's Articles of Association the members of the nomination committee shall be elected for a term of office of two years. To secure continuity, no more than two of the members of the nomination committee shall stand for election at the same time.
